You would be aware that the Company is in the process of issuing some 23 million shares at 25 cents to fund future exploration. There has been significant market interest in your Company, and the placement has been heavily subscribed. The prospectus is available for viewing at www.crosslanduranium.com.au . You should use this site to see all future announcements.

In conjunction with the capital raising, the company intends to delist from the National Stock Exchange (NSX) and list on the Australian Securities Exchange (ASX).

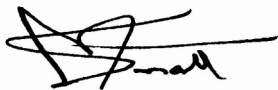

You do not need to take any action and your current holdings will automatically move to the ASX with the same code (CUX). You will not receive a Statement from the Registry unless you have changed your address or your holdings. Neither your Securityholder Reference Number (SRN) nor your Holder Identification Number (HIN) will change.

There will be a period of up to 20 days where the Company is suspended on the NSX and then it will become listed on the ASX. During the period of suspension, announcements will continue to be made on the NSX.

The move to the ASX and the large increase in shareholders will facilitate a better market.

The Board of Directors thank you for your continued support.

Yours sincerely,

Malcolm Smartt
Company Secretary
